AFRICA UPDATE

From: Pastor Keith Merriman;
Dateline: Sept. 15, 2022.

Dear beloved brethren,

Greetings in the Lord. Pastor Salomon contacted me and said that it flooded in N'djamena and it has caused the garbage and the human waste to be floating around the city. Salomon said he has never seen anything like it. He was staying with a family but the pit toilets have all overflowed so he moved to a hotel. Pray that the rain would stop and that the water would recede and they can clean up. He must buy all of his water to drink.

Evangelism training began today and he had 130 come to be trained! Practorium begins tomorrow and 12 men have enrolled.

Pray for strength and good health and wisdom for Salomon as he teaches in Chad.

God bless, Keith
